**Friends,**

My wife Renee and I are continuing to pray for North Carolina as Hurricane Dorian makes its way towards our state. I want to thank our National Guard troops, first responders, swift water rescue teams and others for their tireless work to prepare, as well as our linemen, utility and clean-up crews who may face a tough road ahead.

Before the storm reaches North Carolina, I want to share important contact information and resources. As always, if you need help resolving an issue with a federal agency following a natural disaster, you can call my Concord office at **704-786-1612** or my Fayetteville office at **910-997-2070** or contact me at <http://hudson.house.gov>.

God bless,

**Richard Hudson**

**Member of Congress (NC-08)**
